

**Professor in Clinical Pharmacy &
Pharmacokinetics**
*Faculty of Pharmacy
University of Jordan
Amman, Jordan*
Mobile: 0798940100
E-mail:
M_alsous@ju.edu.jo

Mervat Musbah Zaki Alsous

Employment History (Former Dean of Pharmacy/Yarmouk University 2019-2023)

Sep 2025 – to date	Professor of Clinical Pharmacy and Pharmacokinetics, University of Jordan
May 2022 – Sep 2025	Professor of Clinical Pharmacy and Pharmacokinetics, Yarmouk University
Feb 2019 – May 2022	Associate professor of Clinical Pharmacy and Pharmacokinetics, Yarmouk University
May 2018 – Jan 2019	Associate professor of Clinical Pharmacy and Pharmacokinetics, Applied Science University
Feb 2014 – May 2018	Assistant professor of Clinical Pharmacy and Pharmacokinetics, Applied Science University
Feb 2009 – Sep 2010	Lecturer, University of Jordan/ School of Pharmacy
Oct 2007 – Sep 2008	Lecturer, Applied Science University/ School of Pharmacy
Jul 2003 – Jul 2004	R&D formulator at Al-Hikma Pharmaceuticals, Jordan

Professional Experiences

Feb 2019 – to date	Lecturer of Therapeutics 1 and 3, Training course, Pharmacokinetics
Feb 2014 –Jan 2019	Lecturer of Pharmacokinetics, Advanced pharmacokinetics, Pharmacokinetics lab, Therapeutics, OTC, Clinical biochemistry, Clinical biochemistry lab, Physiology, Public health, Pharmacology Lab, Pharmacy training.
Feb 2009 – Sept 2010:	Lecturer of Toxicology, Pharmacokinetics lab, Training of Pharm D students in the Hospital/ University of Jordan
Oct 2007 – Sep 2008	Lecturer of Pharmacology, Therapeutics 1 &2, Pharmacokinetics lab, Therapeutics Lab/ Applied Science University
Nov 2006 – May 2007	Principle investigator; establishing an experimental clinic to manage patients receiving warfarin collaboratively with physicians, providing pharmaceutical care interventions and patient counselling at Jordan University Hospital (MSc dissertation project).
Feb 2006 – May 2007	Clinical pharmacist, Jordan University Hospital/ Internal medicine department (MSc clinical pharmacy placement)
Jul 2003 – Jul 2004	Research and development formulator in the ANDA team at Al-Hikma Pharmaceuticals, Jordan

Education

Oct 2010 – Dec 2013	Doctor of Philosophy (PhD), Queen's University Belfast <i>Safe and Effective Use of Medicine in Children: Adherence and Population Pharmacokinetics Approaches</i>
Sept 2005 – Aug 2007	Master (MSc) of Clinical Pharmacy, University of Jordan- Excellent <i>The Impact of Patients' Education about Warfarin on Improvement of Their Basal Knowledge Regarding Its Administration and Side Effects: A Study on Patients who Receive Warfarin at Jordan University Hospital</i>
Sept 1998 – June 2003	BSc University of Jordan /Faculty of pharmacy- Very Good
Tawjihi (High school)	Excellent (95.6%)

Research Interest

Interested in Clinical Pharmacy, pharmacy practice and pharmacokinetics research. I am working with many academics from Jordan and researchers from the school of pharmacy/ Queen's University Belfast and University College London.

Research interests include: Compliance with guidelines and Adherence to medications in children with leukemia, inflammatory bowel disease and epilepsy using subjective and objective methods. Pharmacovigilance. Antibiotic use in Jordan. Beliefs about medications and depression as factors affecting adherence to medications. Analysis of drugs in plasma and dried blood samples using HPLC and Mass-spectrometry. Pharmacokinetics of ketamine in neonates.

Funded research projects

- Self-medication practices among pregnant women in Jordan. Deanship of Academic Research Academic Research Council, Yarmouk University, 2019.
- Knowledge about cervical cancer and awareness about human Papilloma virus vaccination among Medical students. Deanship of Academic Research Academic Research Council, Yarmouk University, 2019.
- Adherence to Anti-epileptic drugs (AEDs) in children. Deanship of Academic Research Academic Research Council, Applied Science University, 2014.

- Validation of Arabic translated forms of medication adherence report scale (MARS) and beliefs about medication scale (BMQ) in children and their parents. Deanship of Academic Research Academic Research Council, Applied Science University, 2015.
- Depression in patients with diabetic foot in Jordan. Deanship of Academic Research Academic Research Council, Applied Science University, 2015.
- Adherence to AZA/6-MP in children with leukemia and IBD. Deanship of Academic Research Academic Research Council, Applied Science University, 2014.

Master student's supervision

A comparative study of antimicrobial use at the same hospital setting in different periods of the year in "Amman" Jordan. Main supervisor: Dr. Feras Elhajji; Co-supervisor: Dr. Mervat Alsous. (Student: Haneen Nidal- Graduated Summer 2016)

Committee/ Association membership

- Member of editorial board in the following Journals
 1. International Journal of medical and applied science
 2. Journal of Health care communications
 3. Modern application of bioequivalence and bioavailability
 4. UK Journal of pharmaceutical and Biosciences (UKJPB)
- Member of International Association of Therapeutic Drug Monitoring and Clinical Toxicology (IATDCMT)
- Member of Jordan Pharmaceutical Association (JPA) since 2003 till now
- Member/head of several committees at Yarmouk University (At the faculty level and university level), For example: member of Dean's council at university level (2019-2023), head of Faculty council (2019-2023), head of Strategic planning committee (2021-2022), head of curriculum committee (2019-2022), head of training committee (2020-2023), member of scientific research committee at university level (2023-2024).
- Head of steering committee of ACPE at Yarmouk University (2020-2022).
- Member of Jordanian women academics association (2022-present)
- Member of the general authority of the women's union (2021-present)

- Member of Association of Deans of Faculties of Pharmacy in Jordanian Universities (2019-2023)
- Member of Bioequivalence committee in Jordan Food and Drug Administration (JFDA) (2015-2019).
- Member of Association of Jordanian Women Academics since 2016 till now
- Member of Clinical Pharmacy committee at Jordan Pharmaceutical Association since 2017-2019
- Member of several active committees within the faculty of pharmacy such as equivalency, examination, accreditation and quality, conferences, Labs and laboratory equipment, scientific research, and OSCE's examinations.

Activities, Workshops and training courses

- Giving lecture to 8th class students at Model school /Irbid about Diabetes Mellitus (causes, symptoms and treatment).
- Giving lectures to community pharmacists about drug-drug interactions, NSAIDs induced gastrolatry prophylaxis (in cooperation with AstraZeneca). (2022-2023)
- Organizing and giving several lectures, workshops and scientific days during Deanship of faculty of pharmacy/ Yarmouk University such: scientific conference (2nd and 3rd scientific pharmacy conferences at Yarmouk University), Corona virus vaccination campaign, career days for pharmacy students, ask the pharmacist activity, Alumini meeting, and lectures about treatment of chronic diseases in Ramadan....etc (2019-2023)
- Giving lectures within a training workshop about Clinical Pharmacy in cooperation with the Jordanian expert team (from 5-Aug-2017 to 5-Aug-2018). Amman, Jordan.
- Visiting fellow to School of pharmacy Queen's University Belfast (June- 2018)
- Attending a workshop about Bioequivalence studies at by Jordan Food and Drug Administration (JFDA) (May-2018). Amman, Jordan.
- Attending a workshop for course outline development at ASU (April 2017)
- Attending a workshop for SPSS analysis at ASU (February 2017)
- Attending a workshop for staff development at ASU (September- 2015)
- Attending a workshop by Jordan Food and Drug Administration (JFDA) about Harmonization for quality assessment of pharmaceuticals At Kempinski Hotel (August 8th-9th, 2015). Amman, Jordan.
- Attending a workshop about Bioequivalence studies at Royal Scientific Society (February- 2015). Amman, Jordan.
