

MAYYADA M.B. AL-WAZAIFY

Brief Biography

- A Professor of Pharmacy Practice at The School of Pharmacy- The University of Jordan. Rank obtained: Sep 2014.
- Adjunct Professor in Social Pharmacy at The University of Helsinki, Finland (May 9th, 2019)
- Visiting lecturer at The University of Bath/UK (May 2012-May 2015)
- Dean Assistant for Students Affairs, Faculty of Pharmacy, The University of Jordan (2008-2009)
- Started career of scientific research and lecturing at The University of Jordan as Assistant Professor in February 2004.
- PhD, Queen's University of Belfast/UK (Dec 2003)
- Bsc. Pharmacy, The University of Jordan (June 2000)
- GSSC, Kuwait (99.1%/ Fourth at the level of the State of Kuwait)
- Project Co-Director for the **Yale-UJ Joint Training Program in Addiction Medicine** (Sep 2021-Sep 2023)
- **Advisor** of the 41st Expert Committee on Drug Dependence (ECDD) of the World Health Organization (**WHO**), Geneva (2018).
- **Consultant** for United Nations Office on Drugs and Crime (**UNODC**) for the Captagon chapter in World Drug Report (WDR) 2024.
- Erasmus+ visiting scholar to The University of Helsinki, Finland (April 2017)
- Hamad Medical Corporation **Award for Best Scientific Research** (Qatar, Feb 2013)
- The University of Jordan **Distinguished Researcher Award** for 2 years 2011 and 2012.
- The **Best Pharmacy Practice Research Paper Award** at the 10th conference of the Scientific Society of the Faculties of Pharmacy in the Arab World that was held in Kuwait in December 11-14th , 2006
- The **Best Pharmacy Practice Oral Presentation Award** at The 25th Joint Research Seminar of the Schools of Pharmacy, Queen's University Belfast and Trinity College Dublin (TCD), Ireland, March 2003
- The **Best poster prize** (category: overall): Society for the Study of Addiction (SSA), November 3rd -4th , 2023, Newcastle, UK.
- Provided consultations regarding drug abuse and dependence for Jordan Anti-Narcotic Department (since 2006) and Jordan Food and Drug Administration (since 2017).
- My work in Jordan since 2004 has contributed to the regulation and scheduling of some medications (e.g. Alprazolam in December 2013 and Pregabalin in Dec 2017)
- Recently spearheaded the establishment of the only taught course about drug abuse in higher education in Jordan.
- The Academy of Medical Sciences/Daniel Turnberg Travel Fellowship Award (June 2010)
- More than 50 research papers published in prestigious high profile international, regional and local peer reviewed journals. H-index (Google Scholar)=19 (1770 citations; April 2020)
- Supervision of more than 35 Msc. Clinical Pharmacy students and served as an internal and external examiner for more than 20 students (Msc. and PhD) in and out of Jordan (ie- University of Otago, New Zealand (2009) and University of Aberdeen,UK 2013).

- Co-Founder and Mentor of the Pharmacy Students Research Club (PSRC) at the Faculty of Pharmacy (April 2013-2018).
- Member of the Society for The Study of Addiction (SSA)/ UK since March 2016
- Member of the Editorial Board of international journals: Substance Use and Misuse (Q2, since Feb 2016) and International Journal of Pharmacy Practice (Q2; Aug 2017).
- Member of the Scientific Committee of the International Social Pharmacy Group (Aberdeen, UK in 2016 and Leuven, Belgium in 2018).
- Coordinator of the Virtual Pharmacy Lab at Faculty of Pharmacy (2010-2015)
- Head of Scientific Committee of the 4th International Pharmaceutical Conference of The University of Jordan, October 2016

Grants and Scholarships:

- \$ 158,000.466 (Co-applicant): from US Embassy Public Affairs Section Annual Program 2021-2023 in collaboration with Yale School of Medicine and Yale School of Public Health, USA. Project Title: Yale-The University of Jordan Joint Training on Addiction Medicine.
- JD 10 150 (Grant holder): from Abdul Hameed Shoman Scientific Research Support Fund (AHSF) 2020-2021. Project title: Substance Use and Substance Use Disorders in relation to COVID-19: Qualitative Experience of Users and Frontline Professionals.
- £ 7 360 (Co-applicant): from British Academy-Humanities and Social Sciences Tackling Global Challenges Programme 2020, administered by University of Oxford Brookes, UK. 2021-2022. Project title: Double Trouble: The effect of violent conflict on the abuse of prescription and non-prescription medicine
- £10 137 (Co-applicant): from GCRF Global Challenges Collaborative Research Awards 2019-22, administered by Oxford Brookes University, 2020 -2022. Project title: The impact of the amphetamine Captagon on Jordan 13
- £ 7 500 (Co-applicant): from GCRF Global Challenges Collaborative Research small grants scheme 2019 award, administered by Liverpool Jon Moores University, 2019. Project title: 'Palestinian children's experiences of sibling and parental drug abuse in the Occupied Territories of Palestine (West Bank, Gaza) and the Palestinian refugee camps of Jordan'.
- Different Internal Grants administered by University of Jordan (UJ) (since 2004- present)
- Queen's University of Belfast (QUB) Scholarship for Overseas students, 2000/3. Covering the difference between the Overseas and EU fees.
- University of Jordan Research Scholarship, 2000-3 Covering EU fees and a contribution to living expenses.

MAYYADA M.B. AL-WAZAIFY

PERSONAL INFORMATION

Marital status: married with 3 children

Nationality: Jordanian

Date of Birth: 16th September 1976

Place of Birth: Kuwait

OCCUPATION

- **Currently:** Full Professor of Pharmacy Practice at the Department of Biopharmaceutics and Clinical Pharmacy at the University of Jordan

(Started as Assistant Professor at UJ in February 23rd, 2004; Professorship Rank obtained September 2014)

- Visiting Lecturer at The University of Bath, England, UK (May 2012-May 2015).

- Dean Assistant for Students Affairs, Faculty of Pharmacy, The University of Jordan (2008-2009)

MAIN RESEARCH INTEREST

- Promotion of the appropriate use of prescription and OTC drugs
- Prevention, identification and management of drug abuse and misuse
- Promotion of the pharmacist's role in prevention and treatment of drug abuse and misuse
- Implementation of *Harm Reduction* model in management of OTC and prescription drug abuse

- H-index= 18, i10-index= 20; citations= 1213 (April 2018)

TAUGHT COURSES

- Over-The-Counter (OTC) drugs
- Parapharmaceuticals
- Pharmacology 1 and 2
- Therapeutics 1,2 and 3
- Pharmacy practice 1 and 2
- Drug Misuse and Abuse (for Msc. Clinical Pharmacy)
- Research Methods (for Msc. Clinical Pharmacy)
- Clinical Training at the Jordan University Hospital (JUH) for both under and postgraduate students

EDUCATION

2000 – 2003 Full time **Ph.D** in Clinical and Pharmacy Practice

School of Pharmacy, Queen's University Belfast, UK. (Clinical and Pharmacy Practice Research Group; CPRG).

Area of research: The Appropriate Use of Over-The-Counter (OTC) Medicines particularly Misuse and Abuse of OTC medicines.

1995 – 2000 Bsc. Pharmacy Degree

The University of Jordan - Amman - Jordan

GPA: 3.84/4.00 rating 'Excellent' equivalent to upper first class honours

1991 – 1995 High School

Fajr Al-Sabah School (Kuwait)

Major exams in English, Arabic, Maths, Physics, Chemistry and Biology

Grade: 99.1% (Fourth on the level of Kuwait)

PROFESSIONAL MEMBERSHIPS

Member of the Editorial Board of *International Journal of Pharmacy Practice* (IJPP; since April 2017)

Member of the Editorial Board of Substance Use and Misuse (since 2016)

Member of the Editor Board of *Journal of Pharmaceutical and Nutrition Sciences* (since 2013)

Active Member of the Jordan Pharmaceutical Association (*since 2000*)

Member of the International Pharmacy Federation (FIP) (*since 2004-2006*)

Member of the Pharmacy Misuse Advisory Group- PharMAGazine- NeaZealand (*2004-2010*)

Member of the International Editorial Board of the *Journal of Public Health Pharmacy*. (*Since February 2007-2010*) New Zealand

Member of the Scientific Committee of the 11th Pharmaceutical Conference of the Jordan Pharmaceutical Association, *September 2005*

Member of the Professional Committee of the 11th Pharmaceutical Conference of the Jordan Pharmaceutical Association, *September 2005*

Member of the Vitamins and Minerals Registration Committee, Jordan Food and Drug Administration (JFDA) (*December 2005-May 2006*)

Member of the Clinical Studies Committee (CSC) at the Jordan Food and Drug Administration (JFDA) (*May 2006-May 2008*)

Member of the Drug Pricing Committee at the Jordan Food and Drug Administration (JFDA) (*October 2009—October 2010*)

Member of the Antibiotics Committee at the Jordan University Hospital (*since May 2006-2008*)

Member of the University Academics Committee at the Jordan Pharmaceutical Association (*since June 2006-2011*)

Member of the steering committee of the Good Pharmacy Practice (GPP) at the Jordan Pharmaceutical Association (*since February 2007-present*)

Member of the Institutional Review Board (IRB) at the Jordan University Hospital(*since January 2009-present*)

Member of the Higher Executive Committee of the 14th Pharmaceutical Conference of the Jordan Pharmaceutical Association that will be held in April 2012.

Member of the Local Review Board (LRB) of the SIT study abroad program in Jordan, part of World Learning Organization. (www.sit.edu)

Head of Conferences and Seminars Committee at Faculty of Pharmacy, The University of Jordan (*since Sep 2013-present*)

Member of the Scientific Panel and Organizing Committee of the 19th International Social Pharmacy Workshop, Aberdeen (UK) July 19th-22nd, 2016.

PROFESSIONAL EXPERIENCE

2013-present Mentor and co-founder of the Pharmacy Students Research Club (PSRC)

2010-present Coordinator and founder of the "Virtual Pharmacy" Lab training course at The University of Jordan. This is considered as the first pharmacy lab of its kind in Jordan to provide a stimulatory training environment to community pharmacy.

2004-present Teaching different modules at the University of Jordan to undergraduate and MSc. students: Over-The-Counter (OTC) drugs, Parapharmaceuticals, Pharmacology, Pharmacotherapy, Drug Misuse and Abuse, Research Methods in Pharmacy Practice, and Clinical Pharmacy training at the JordanUniversityHospital for both MSc (Clinical Pharmacy) and Pharm. D students.

2004-present Supervision of(n=15) and examining MSc. Clinical Pharmacy students (n=12) and PhD (n=3) students at The University of Jordan and other universities inside and outside of Jordan (e.g. University of Otago/New Zealand; 2009 and at The University of Aberdeen, UK; 2013)

2004-present Administrative tasks through my position as Dean Assistant of Students Affairs. This involved all tasks that have to do with students such as: students' registration and withdrawal of modules, students mentoring and guidance throughout the course, organising and presenting graduation ceremonies etc.

2000-2003

2012-2015 1) Demonstrator to undergraduate pharmacy students, including teaching on a one-to-one basis within Pharmacy Practice, Biochemistry and Anatomy modules at the Queen's University of Belfast. 2) Responsible for small group teaching and marking at the Queen's University of Belfast. 3) Supervision of project students (final year pharmacy undergraduate and summer students) at the Queen's University of Belfast

Visiting Lecturer at The University of Bath, UK

CONFERENCES

o **Attended and presented at the following conferences:**

1. "Impact of A Community Pharmacy Based Awareness Campaign on Improving the Use of Over-The-Counter (OTC) Medicines" (work in progress) at The British Pharmaceutical Conference, Manchester, UK, 2002 (platform presentation)
2. "Implementation of a Harm Minimisation Model for the Identification and Treatment of Over-The-Counter (OTC) Drugs Misuse and Abuse in Community Pharmacies in Northern Ireland" at the North/South Pharmacy Healthcare Conference, Dundalk, Ireland 2002
3. "Impact of A Community Pharmacy Based Awareness Campaign on Improving the Use of Over-The-Counter (OTC) Medicines" at The PCNE 3rd Working Conference, Hillerød Denmark, 2003 (Poster Discussion Forum)
4. "Societal Perspectives on Over-The-Counter (OTC) Medicines" at The 25th Joint Research Seminar of the Schools of Pharmacy, Queen's University Belfast and Trinity College Dublin (TCD), Ireland 2003 (platform presentation)-**This presentation won the first prize for the "best pharmacy practice presentation" in TCD.**
5. "Societal Perspectives on Over-The-Counter (OTC) Medicines in N. Ireland" at The Health Services Research and Pharmacy Practice Conference, Belfast 2003 (Plenary Session)
6. "Prevalence of over-the-counter drug-related overdoses at Accident and Emergency departments in Northern Ireland" at The 13th International Social Pharmacy Workshop, Msida, Malta July 2004 (Platform Presentation)
7. "Fetal Alcohol Syndrome: A recipe for damaged angels" at The Arab Conference on Special Education, The University of Jordan April 2005, (Oral presentation)
8. "Over-The-Counter (OTC) drugs Misuse and Abuse" at The 11th Pharmaceutical Conference of the Jordan Pharmaceutical Association, September 2005, Amman, Jordan
9. "Societal perspectives on the role of the community pharmacist, over-the-counter (OTC) drugs and community-based pharmaceutical services in Jordan" at The 14th International Social Pharmacy Workshop, July 2006 Oxford, UK.

OTHER INFORMATION

-UJCDL certificate (University of Jordan Computer Driving Licence; 2005)

- N-VIVO software training, University of Surrey, UK July 2010

- Fundamentals of N-vivo software. Online Training. May 22nd-30th, 2017

- Founder of Pharmacy Students Research Club (PSRC): April 2013, Aim of club is to connect students willing to conduct a research to academic staff and researchers in the faculty. Workshops have been organized and delivered about scientific research, scientific writing, SPSS data analysis, writing proposals etc.

WORKSHOPS:

1. Identifying and Managing Those at Risk of Dependence to Non Prescription Medicines (NPMs)

Hosted by: Catriona Matheson, Mayyada Wazaify and Niamh Fingleton

Venue: University of Aberdeen, UK July 2016

2. Scientific Writing of Substance Use and Addiction Research Manuscript Development Workshop

Venue: Hashemite University, May 31st – 2nd Jun, 2015

3. Advanced Training on Scientific Writing of Substance Use and Addiction Research In Jordan

Venue: Holiday Inn Resort Dead Sea, July 10-14, 2016

4. The Impact of the Amphetamine Captagon on Jordan.

Hosted by: Mayyada Wazaify, Chrissie Steenkamp and Yara Al-Khateeb

Venue: Movenpick Amman, May 19th, 2022

5. Taking a Substance Use History. A workshop hosted by the Yale-University of Jordan Joint Training Program in Addiction Medicine.

Venue: The University of Jordan, May 10th, 2023

AWARDS

1. The **Best Pharmacy Practice Presentation Award** at The 25th Joint Research Seminar of the Schools of Pharmacy, Queen's University Belfast and Trinity College Dublin (TCD), Ireland, March 2003 (platform presentation)- The research entitled: "Societal Perspectives on Over-The-Counter (OTC) Medicines"
2. The **Best Pharmacy Practice Research Paper Award** at the 10th conference of the Scientific Society of the Faculties of Pharmacy in the Arab World that was held in Kuwait in December 11-14th , 2006, for the oral presentation entitled: "Appropriate Use of Over-The-Counter (OTC) drugs among general population in Jordan"
3. **The TEMPUS grant** (European Union-July 2007): collaborative visit to the UK for the development of 3 teaching modules at the University of Jordan: Evidence based Pharmacy, Dealing with Symptoms and the establishment of the Ideal Pharmacy.
4. **The Academy of Medical Sciences/Daniel Turnberg Travel Fellowship Award** (June 2010): The aim of the award was to travel to The University of Bath in and do research with Dr. Jenny Scott from the School of Pharmacy. The joint research was about identification and treatment of OTC Drug Misuse and Abuse in community Pharmacy setting.
5. "DISTINGUISHED RESEARCHER" AWARD OF THE UNIVERSITY OF JORDAN FOR 2 YEARS 2011 AND 2012.
6. **The 'Best Scientific Research Award' of Hamad Medical Corporation (HMC)**- Qatar on The Annual Scientific Research Day on Feb 25th, 2013, for the research paper:

Zaidan M, Singh R, Wazaify M, Tahaineh L. Physicians' perceptions, expectations, and experience with pharmacists at Hamad Medical Corporation in Qatar. *Journal of Multidisciplinary Healthcare* 2011;4 85–90
